Patrick Butler
Trinity Credit Services
901 N. McDonald St.
Ste. 502
McKinney, TX 75069

Dear Patrick,

I just wanted to take to time to tell you that Trinity Credit Services has done a fabulous job for me. I contacted your company because I knew that there were a few items on my credit report that were inaccurate and were having an adverse affect on my beacon score.

I was unable to secure any type of credit for a car, credit card or any other type of loan or purchase. After less than 5 months, my credit scores went up almost 100 points! Not only were the inaccurate items deleted from my files, but some negative items that were correct were removed as well!

You did such a great job on my behalf, that I decided to hire your company to help my wife; primarily to remove items that got dumped on her that should have been the responsibility of her ex husband...

Again, I am thrilled with the service and, more importantly, the results I have seen! I am very glad that I decided to contract with Trinity Credit Services & would recommenend your company to anyone.

Very Truly Yours,

Dan C. Little
